4th Dec 2017

Dear Parent/Carer

Broad General Education (S1, S2 & S3) Tracking and Monitoring Reports December 2017

Today your son/daughter has been issued with their first Tracking and Monitoring Update Report compiled by their class teachers, reporting on the recent assessments held within school.

The report details performance for subjects currently being studied and ratings for Effort, Behaviour and Homework. Also included are both the course Target Grade (TG) and the current Working at Grades (WG) at this time.

Target Grades for S1 pupils are based on transfer information we received regarding InCas assessments completed at Primary School as well as the MidYis testing we did early in S1. This information is used in conjunction with the professional judgement of staff to give appropriate targets based on a sliding scale from 1 to 7, with 1 indicating working at the highest target level.

Target grades for S2 and S3 are based on assessment performance in the last school year, with professional judgement again being used to finalise targets using the same 1-7 scale, with all targets being aspirational.

Working at Grades for all three year groups is determined by performance in the recent assessments and use a sliding 1-9 scale with 1 indicating working at the highest level.

Attendance / Lates:

This report include details of attendance / lates. We would ask for your support in flagging up any inconsistencies you may note on your own son/daughter's report.

We thank you for your support with this matter and advise that the following parent's evenings will give you an opportunity to discuss this report in more detail with the class teachers, but should you wish to discuss any issues regarding this report prior to this, then please do not hesitate to contact the school.

S3 – Thursday 14th December 2017

S2 – Thursday 11th January 2018

S1 – Thursday 18th January 2018

Yours sincerely

Mr K Buchan
