

Fraserburgh Academy Assessment and Reporting Calendar Nov 2020 to June 2021

Please see below the intended dates of Year Group assessments, Senior Prelim exams and SQA exams for the period November 2020 to June 2021, along with details of when school reports will be issued.

At this time, it is intended that the SQA will run a full exam diet for Higher and Advanced Higher courses, but should this change we will notify learners, parents and of carers of these changes.

Learner engagement

The SQA are formalising how it engages with learners as they want to ensure they are involved in SQA processes and decision making. Please complete the survey (link below) as it is intended to gauge support for different types of engagement.
