Dear Parent / Carer

## **S2 and S3 Broad General Education Assessments**

As part of our assessment and reporting cycle, our S2 and S3 pupils will have formal school assessments over the next few weeks.

**S2 assessments will run from Mon 9<sup>th</sup> Nov until Friday 13<sup>th</sup> Nov 20** and these assessments will take place during normal class times in subject classrooms.

**S3 assessments will run from Mon 23<sup>rd</sup> Nov until Fri 27<sup>th</sup> Nov 20** and at this time they are scheduled to take place during normal class time but in exam halls.

Due to Covid restrictions, I have had to plan these exams using not only the main school hall but also the two gym halls and your child will sit their exam in one of these halls and they will be advised of which venue nearer to the time.

It is possible that some subjects will have their assessment outside of this timescales and this will be due to these subjects coming to the natural end of a unit of work and if this is the case then the class teacher will give notice of when that assessment will take place.

Your son / daughter will be advised of the exact time and day of their assessments by their class teachers and it is expected that our learners will have more than one assessment per day but this is excellent preparation for future SQA exam diets should they take place.

Teaching staff will already have been discussing these upcoming assessments with your child and this letter allows you the opportunity to discuss these upcoming assessments and help support them to prepare for these assessments.

The results of these assessments will form the basis of their report card which is due to be issued towards the end of December 2020.

Should you have any questions or queries related to this matter, then please do not hesitate to get in touch with me

Regards

Kevin Buchan
