Dear Parent / Guardian

S1 Broad General Education Assessments

As part of our assessment and reporting cycle, our S1 learners will have their first formal whole school assessments beginning on the first day back after the Easter break – Monday 15th April 2019 and they are expected to last for five school days, ending on Monday 22nd April 2019, but it is possible that some assessments may be outside of this time scale due to timetable issues.

All subjects will have a formal assessment with S1 learners having these assessments under exam conditions but during normal class lessons.

Your son / daughter will be advised of the exact time and day of their assessment by their class teacher and it is expected that our learners will have more than one assessment per day, but this letter will give you an opportunity to discuss these upcoming assessments with your son / daughter and over the next few weeks help support them to prepare for these assessments.

The results of these assessments will form the basis of their first report card which is due to be issued towards the end of May 2019.

Should you have any questions or queries related to this matter, then please do not hesitate to get in touch with me

Regards

Kevin Buchan
