Dear Parent / Carer

Fraserburgh Academy Assessment Calendar 2021/22

Please see below our intended Assessment calendar for this school session 2021/22 as well as the intended dates that learner reports will be issued.

Due to the ongoing pandemic and associated issues, we have not been able to hold formal SQA exams nor S1 assessments for the past two years, but this year we are hopeful that all assessments will run as scheduled.

The assessments listed below are all linked to our reporting structure, but it is possible that there will be other assessments held during the school year that will fall outside of these assessment times and should this happen then teaching staff will advise learners of this prior to the assessment, ensuring sufficient time to prepare and revise.

Several subjects will have practical assessments and again they are arranged by the subject teacher on a subject-by-subject basis and advance notice will be given direct to learners of these practical assessments.

Our S4, S5 and S6 learners are already aware of these dates after a school Assembly last week and there will be an assembly for our S1, S2 and S3 learners prior to the start of their assessments advising them again of these dates.

Please note a change in the dates of our S2 Assessments.
