

# Modern Apprenticeship Programme 2022

NHS Grampian is now recruiting the following positions...

## Modern Apprentice Electrical Engineering (Maintenance)

## Modern Apprentice Mechanical Engineering (Maintenance)

Have you got the ability to work well within a multi-disciplinary Maintenance team? Are you enthusiastic and interested in making a contribution to healthcare within Grampian?

If so, we are currently looking to recruit the following positions as part of our Estates Team.

- Post 1: Modern Apprentice Electrical Engineering (Maintenance)
- Post 2: Modern Apprentice Mechanical Engineering (Maintenance)

£21,709 - £23,603, Band 3 (Annex 21 - pro-rata)

Applicants must possess the following qualifications at the time of application:

A minimum of 5 National 5 grades at A or B in Maths, English, Physics, a Technical Subject and one other subject.

Successful candidates will be required to commence employment in June/ July 2022. The position will be based at Aberdeen Royal Infirmary for this 4 year Modern Apprenticeship Programme, although you must be prepared to participate in a rotational programme to other NHS Grampian premises, both within and outwith Grampian.

It is expected that the first 12 months in post will require candidates to undertake both their National Certificate and SVQ Level 2 Performing Engineering Operations with an appropriate training provider.

### For informal discussions contact:

Fiona Kelly - Employability Officer  
01343 567265

### Closing date:

Friday 25th March, 2022

### Aptitude test date:

Wednesday 13th April, 2022

### Interview date:

Thursday 14th April, 2022

In line with the Skills Development Scotland 'Developing the Young Workforce: Scotland's Youth Employment Strategy' - applications are particularly welcomed from 16-19 year olds.
